

GARRETT HEMANN ROBERTSON P.C.

**TRAVIS A. MERRITT**  
Attorney at Law

***Principal Areas of Practice***

*Complex Civil Litigation, Employment and Labor Law, Professional Negligence Defense*

Travis Merritt practices in our civil litigation area. He obtained a Master's Degree in Public Health Policy and a Doctor of Medicine degree before choosing to pursue a career in law through Willamette College of Law. Travis helps defend the firm's clients in a wide variety of disputes, including employment litigation, medical malpractice defense, business litigation and arbitrations. Travis has served as a law clerk for Lane County Circuit Court, and has experience on both sides of the Bar, most recently with a defense firm in Southern Oregon where he worked on a variety of cases.

Mr. Merritt blends a breadth of knowledge of malpractice and employment issues, with a commitment to detailed analysis of the facts at issue. As a result of his broad education and background, Travis brings that extremely rare combination of a lawyer who has the empathy to understand the mindsets of both plaintiffs and defendants in such cases, as well as the mindset of an individual trained in public health research and medicine.
