

GARRETT HEMANN ROBERTSON P.C.

SOPHIA G. ANTRIM
Attorney at Law

Principal Areas of Practice

Complex Civil Litigation, Professional Negligence Defense

Sophia Antrim is an associate in the litigation practice primarily representing doctors, medical organizations and insurance companies and works with the firm's partners on some of the most challenging medical malpractice cases in Oregon. Partners appreciate Sophia's writing abilities as well as her can-do attitude and willingness to support the client's needs under often trying circumstances.

With a background in peer tutoring, teaching children and adults to swim, and volunteering in legal clinics, Sophia has a natural affinity for helping and respecting others. Her dedication to this ethos is evidenced by the fact that the U.S. Navy awarded her the Civilian Service Achievement medal for performing lifesaving care for a military member. Sophia's protective instincts combined with her inquisitive nature led her to pursue her J.D., and she finds the work of providing practical, actionable advice to clients to be particularly rewarding.
